Suicide Intervention Protocol

Identification of student with concerns re: suicide

Contact social worker/psychologist/nurse

Assess situation/Interview student

Notify building administrator

DEPENDING UPON CLINICAL JUDGMENT

Parent called—Options:
• take child for immediate evaluation
• referral made to counseling;
• BEST Team called, if needed

Monitor situation and reassess, as needed

Nurse calls ambulance for transport to ER for evaluation; parents notified; police called, if needed

FOLLOW-UP
Contact will be made by social worker, psychologist, or nurse with parents and students to discuss therapeutic recommendations and on-going mental health issues
