b. New Administrators
   Dr. Kelly talked about some changes that occurred in our administration team. The first two are transfers:
   - Dr. Lena Marie Rockwood from AP at RMA to AP at Revere High School
   - Diana Finn from AP at Revere High School to Director of Guidance at Revere High School.
The next three roles are promotions and all are moving from teaching positions to administration:

- Conor O’Keefe
- Tyler Arlington
- Briana Tsoupas

We also have two administrators who are new to the district:

- Sara Hoomis- Principal of the Lincoln School
- Enid Franqueis- assistant Principal at the Revere High School.

c. Youth Risk Behavior Survey Results (YRBS)

Dr. Vadala talked about the next two items in the superintendent report. He presented some of the Youth Risk Behavior Survey Results. He was very happy with our response rates this year. It was given in our three Middle Schools (6-7-8) and we received 95% of participation and at the High School and SeaCoast we received 86% of participation.

Some of the areas of interest that we talked about with our team at Mass General Hospital and will be sharing moving forward and looking at ways the district can address these issues are: Mental Health, Bullying, Substance use: alcohol, tobacco, and other drugs.

d. Dr. Vadala also discussed the Screening, Brief Intervention, and Referral to Treatment (SBIRT) program:

This district will conduct this screening for all kids in grade 7 and 9. He also said we trained all the nurses, Social workers, Guidance counselors and school administrators for confidential screening using a tool called CRAFFT II to identify who is in risk of using substance. We will be sending letters home and be presented with more information in the city-wide PTO.

Mayor Arrigo asked for a brief recess.
