## Beachmont

As the end of the year approaches, many exciting things are happening at the Beachmont School. Last week our second grade student took a trip to the Belle Isle Marsh as part of their study of animal habitats. Our kindergarten students presented their animal research projects. We also had our Fun Day this week, a celebration of hard work and scholarly behavior. Finally, next week we say farewell to our fifth grade students during our moving on ceremony. It has been another great year of learning, and the Beachmont School is grateful for the parents and community members who have supported teachers and student in providing a great learning experience for students.

## Garfield

This was a busy week at GES. On Monday students met the teachers they will have next school year during our Step Up Day. Students in Grade 4 went on a field trip to tour the campus of Boston University. And on Thursday and Friday students will be participating in our field day activities. Thank you to all of our generous donors and volunteers who make field day possible so that students may carry these memories with them throughout their lives.

## Garfield Middle School

Garfield Middle School has been busy preparing for the end of the year and celebrating with events. Thank you to the PTO and Ms. Gambale for organizing this week's field day events, complete with an 8th grade student/teacher basketball tournament! Congratulations to the 18 students who were recognized during Monday night's Aspirer's Ceremony, and thank you to Ms. LaSala for organizing the wonderful evening. We are also looking forward to celebrating all of the 8th graders who will be moving on this Friday from GMS and all that they will accomplish in the years ahead.

## Hill

It was another exciting week at the Hill. The whole school celebrated the end of the year at a fantastic Field Day on Monday. We had many parent and community volunteers support so that the day ran smoothly and safely for all.

Thank you for your support! A HUGE shout out to Anna Piccardi our PTO President and her team for the hours of work they put in to make Field Day a tremendous success! On Friday, 5th grade students participated in their Moving On Ceremony. Following the ceremony 5th graders celebrated with an Ice Cream Social. Congratulations to our 5th graders for completing their elementary education, we can't wait to see what the future holds for you!

## Lincoln

This past week, the Lincoln celebrated its annual Field Day for grades PreK-5. Our students had a blast participating in activities. Check out our Twitter account [@RPS\\_Lincoln](#) for highlights from the day. Special thanks to our volunteers, PTA, and Ms. Feeney for organizing yet another successful Field Day. We wish all the members of our Lincoln community a very happy, safe, summer vacation

## Paul Revere

It has been a jam-packed week at Paul Revere School. On Tuesday, kindergarten through 4th grade each performed a grade level concert as a part of our Spring Sing, under the expert direction of music teacher Ben Glaser. Students not only sang beautifully but also performed dances and played instruments. On Wednesday, we celebrated our 5th graders with a Moving On ceremony; thank you to our 5th graders for a wonderful concert and to their

parents and guardians for their support over the years. On Thursday, our 4th graders led the school through a Day Of Kindness in remembrance of their classmates, Anthony DePalma and Rakia Ibaachen. They began our day by hosting an all-school assembly, where they invited Dr. Vadala to read Have You Filled a Bucket Today? and sang a lovely version of Somewhere Over the Rainbow. We wish all Paul Revere students and their families a fun and relaxing summer!

## Revere High School

On Wednesday, June 5, 2019, 457 Revere High School and SeaCoast graduates walked the stage for graduation. RHS graduates were awarded over \$125,000 in local scholarships. In addition, we had two Posse Scholars (Bucknell and Bryn Mawr) and two Quest Bridge Scholars (Washington & Lee and Dartmouth). Best of luck to all graduates on their future endeavors!

## Rumney Marsh Academy

This week, led by our club coordinator Eric Carlson, the Rumney Marsh Academy Gay Straight Alliance Club raised \$740.51 to donate to The Trevor Project. The Trevor Project is a non-profit organization that supports at-risk LGBTQ youth. Our GSA Club created a "RMA Live in Color" t-shirt to promote their message of acceptance in their school environment. Great job RMA GSA, students, and staff!

## Seacoast

The SeaCoast staff is proud to announce that 12 of our graduated seniors have received a \$300 scholarship based upon the following requirements: 1. Completing a career research paper, 2. Completing an application for a post-secondary academic institution to further their education, and 3. Opening or in the process of opening an account with a lending institution and attaining or in the process of attaining a valid driver's license. Thank you Mr. Johnson for facilitating this scholarship opportunity for our seniors.

## Susan B. Anthony

Students in the SBA Power of Know Club held an afternoon luncheon with their parents on Tuesday, June 11th. Students received their certificates for their completion of the Teen Outreach Program and for their overall dedication and commitment to the club which met weekly since October. Students were worked together to create ways in which they can better serve the community, while fostering friendships with their peers in the group. Thank you to all who attended!

## Whelan

Last week, our students in grades K-4 performed their spring concerts under the direction of Mr. Delmonte, Whelan School music teacher. Great work by all! Ms. DiLiegro, grade 5 teacher received notification that she has been selected to serve on Department of Education's Grade 5 Science and Technology/Engineering (STE) Standard Setting Panel for the Massachusetts Comprehensive Assessment System. Ms. Ganshirt, Ms. Reyes, Mr. Mattered and Ms. DeFeo worked with the Whelan School PTA to ensure a memorable field day this year despite the rain!
