

# Student Survey

4096 students responded

# How comfortable are you with doing schoolwork remotely?

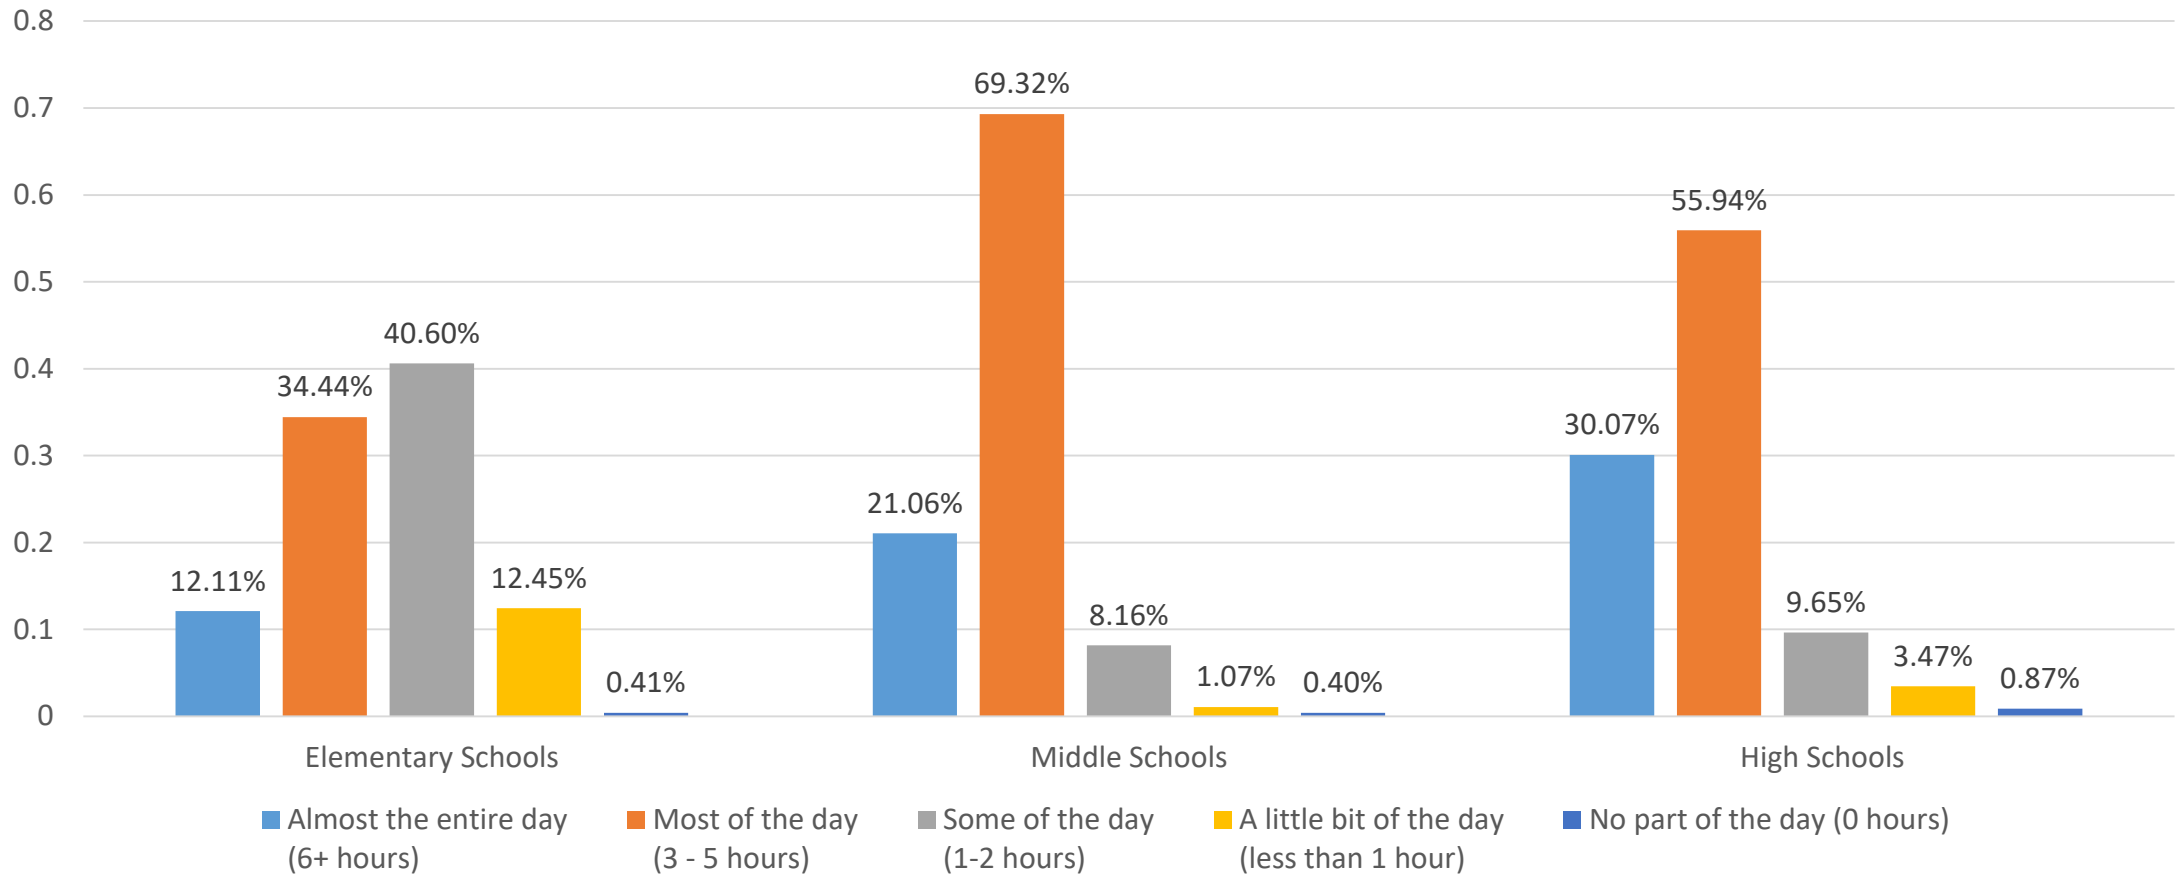

# How easy is it for you to use the remote learning tools (Google Classroom, Zoom, Google Meet, or other programs) that your school has provided?

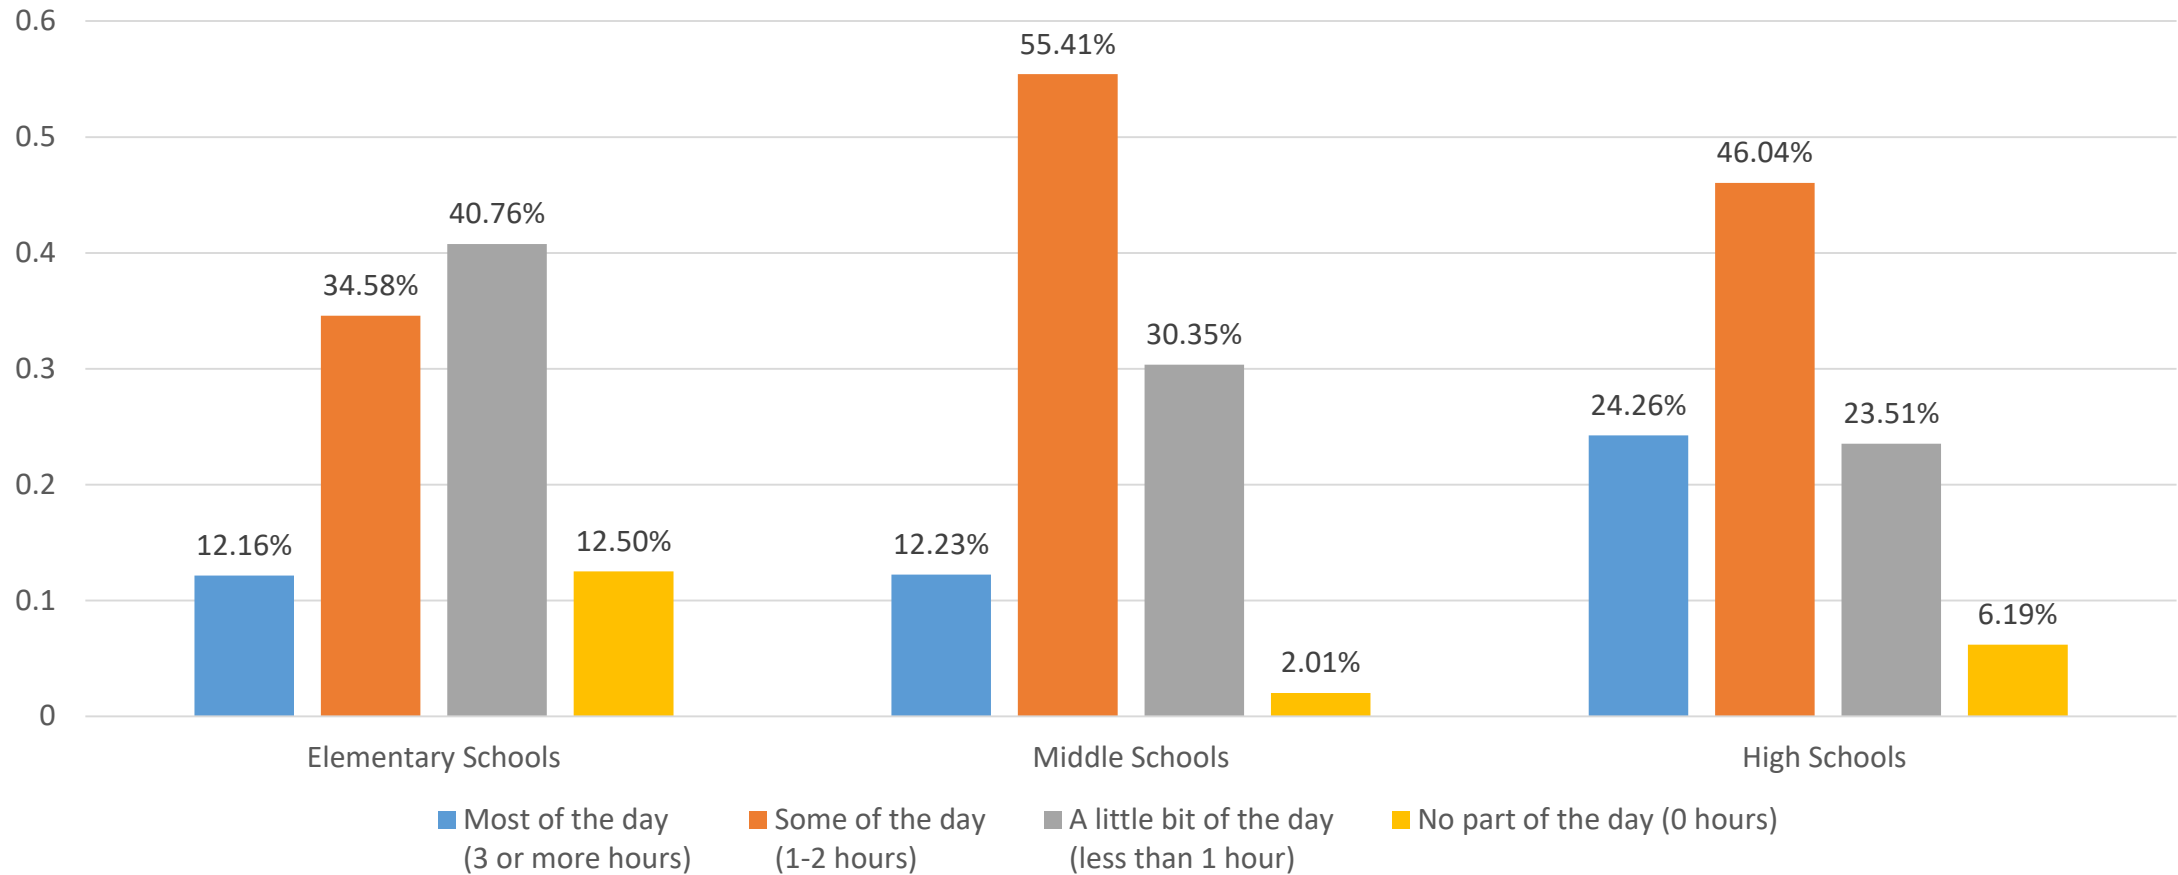

# How often can you focus when doing schoolwork at home?

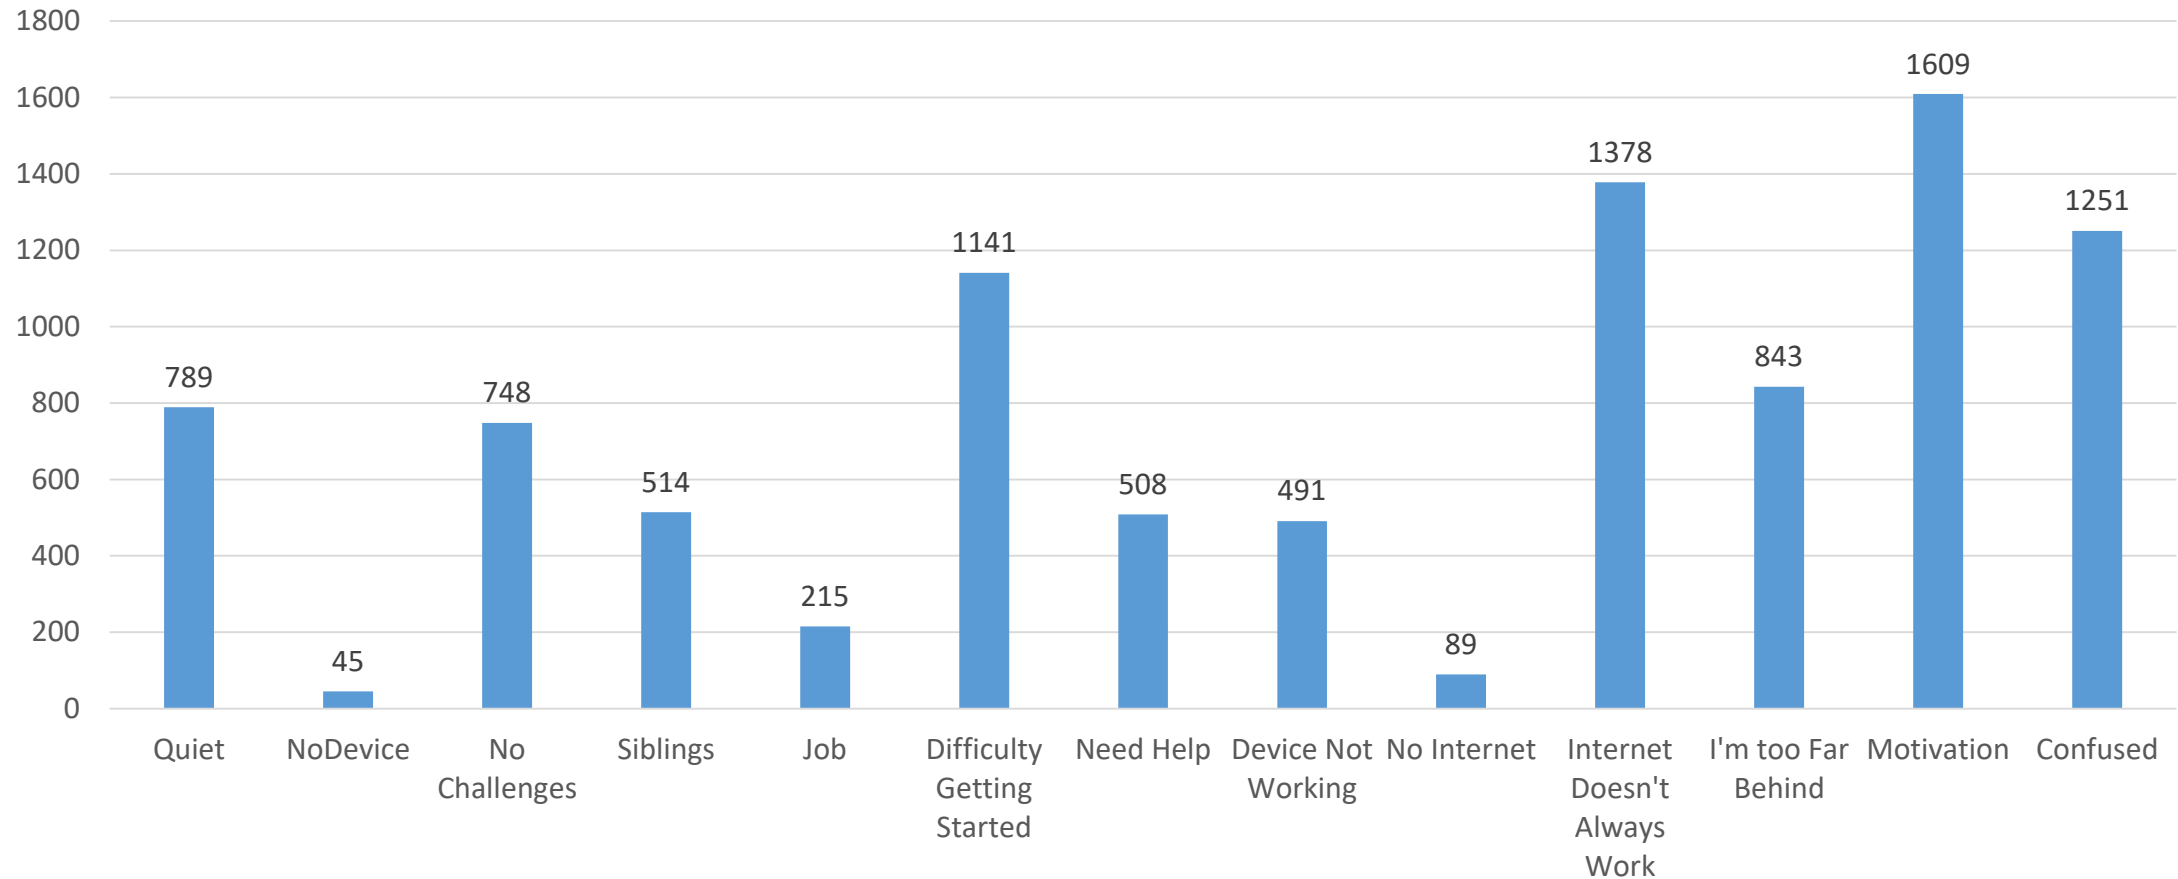

# How much of your school day do you spend learning online?

# How much of your day do you spend doing schoolwork after your school day ends?

# What are some challenges you face when trying to complete a remote learning assignment?

I know how to contact my teachers if I am having trouble.

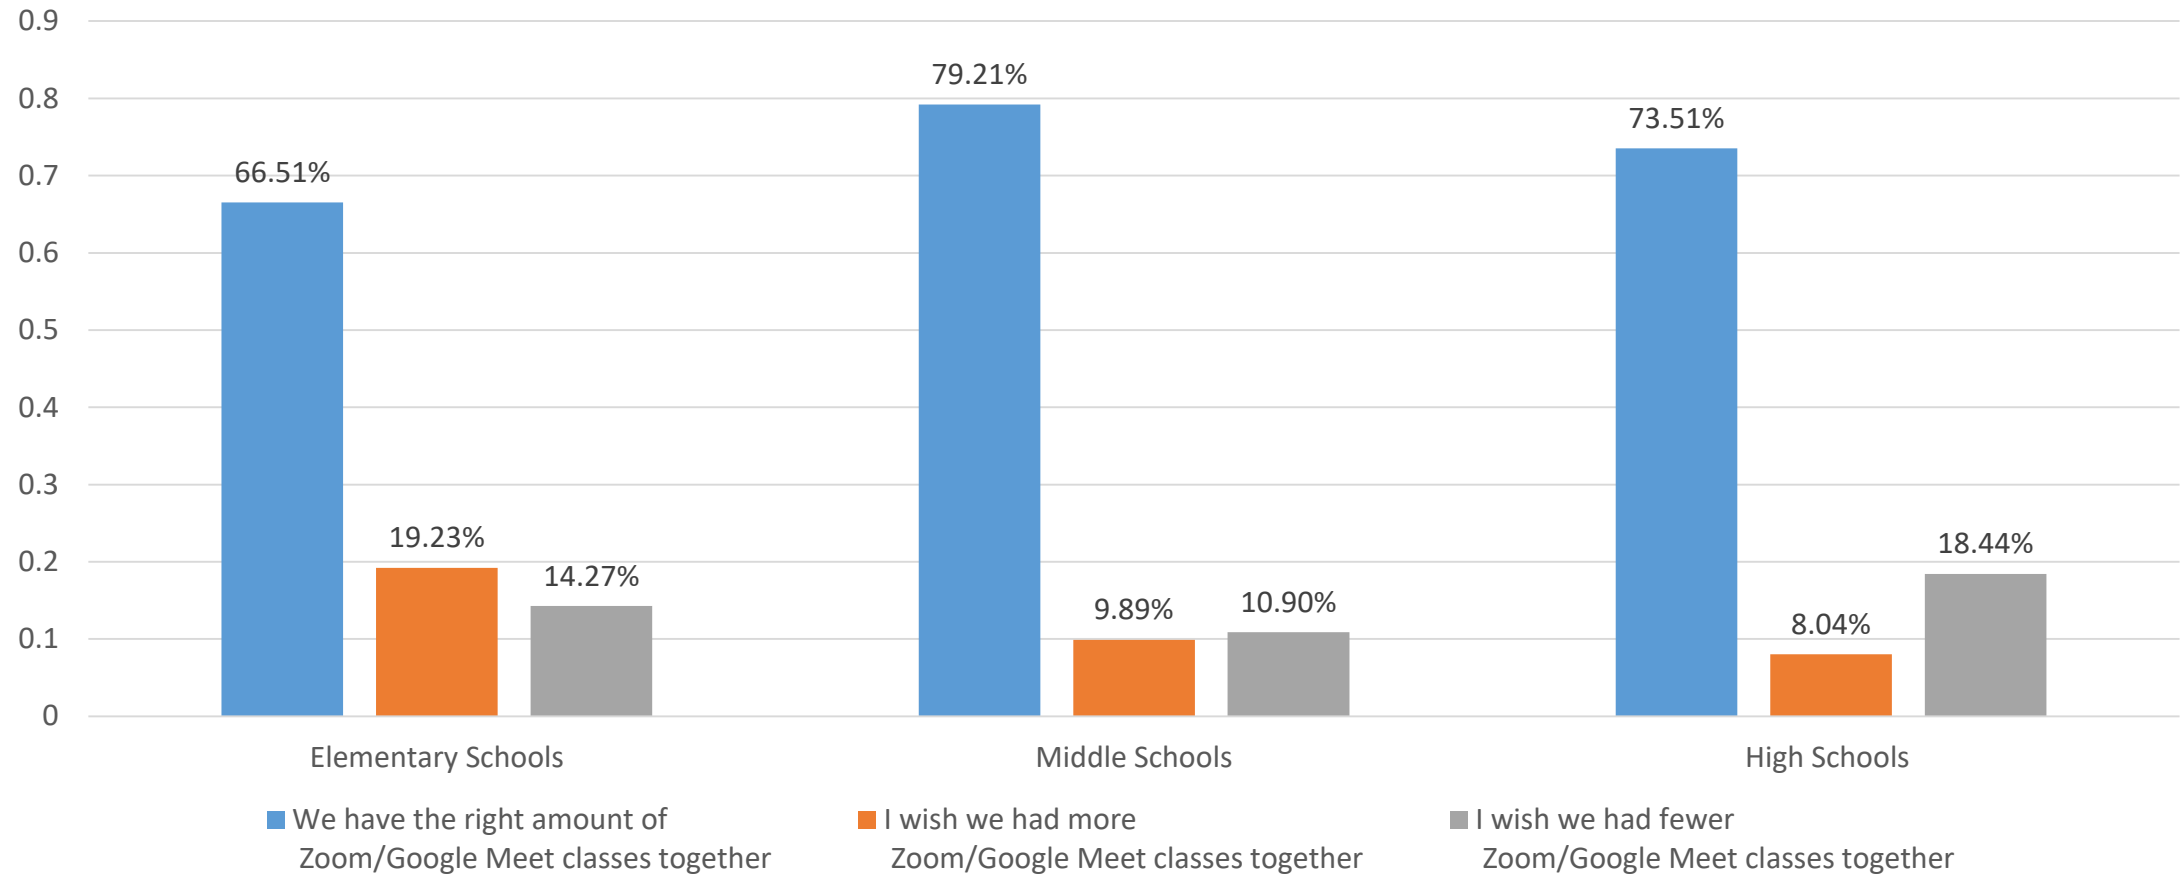

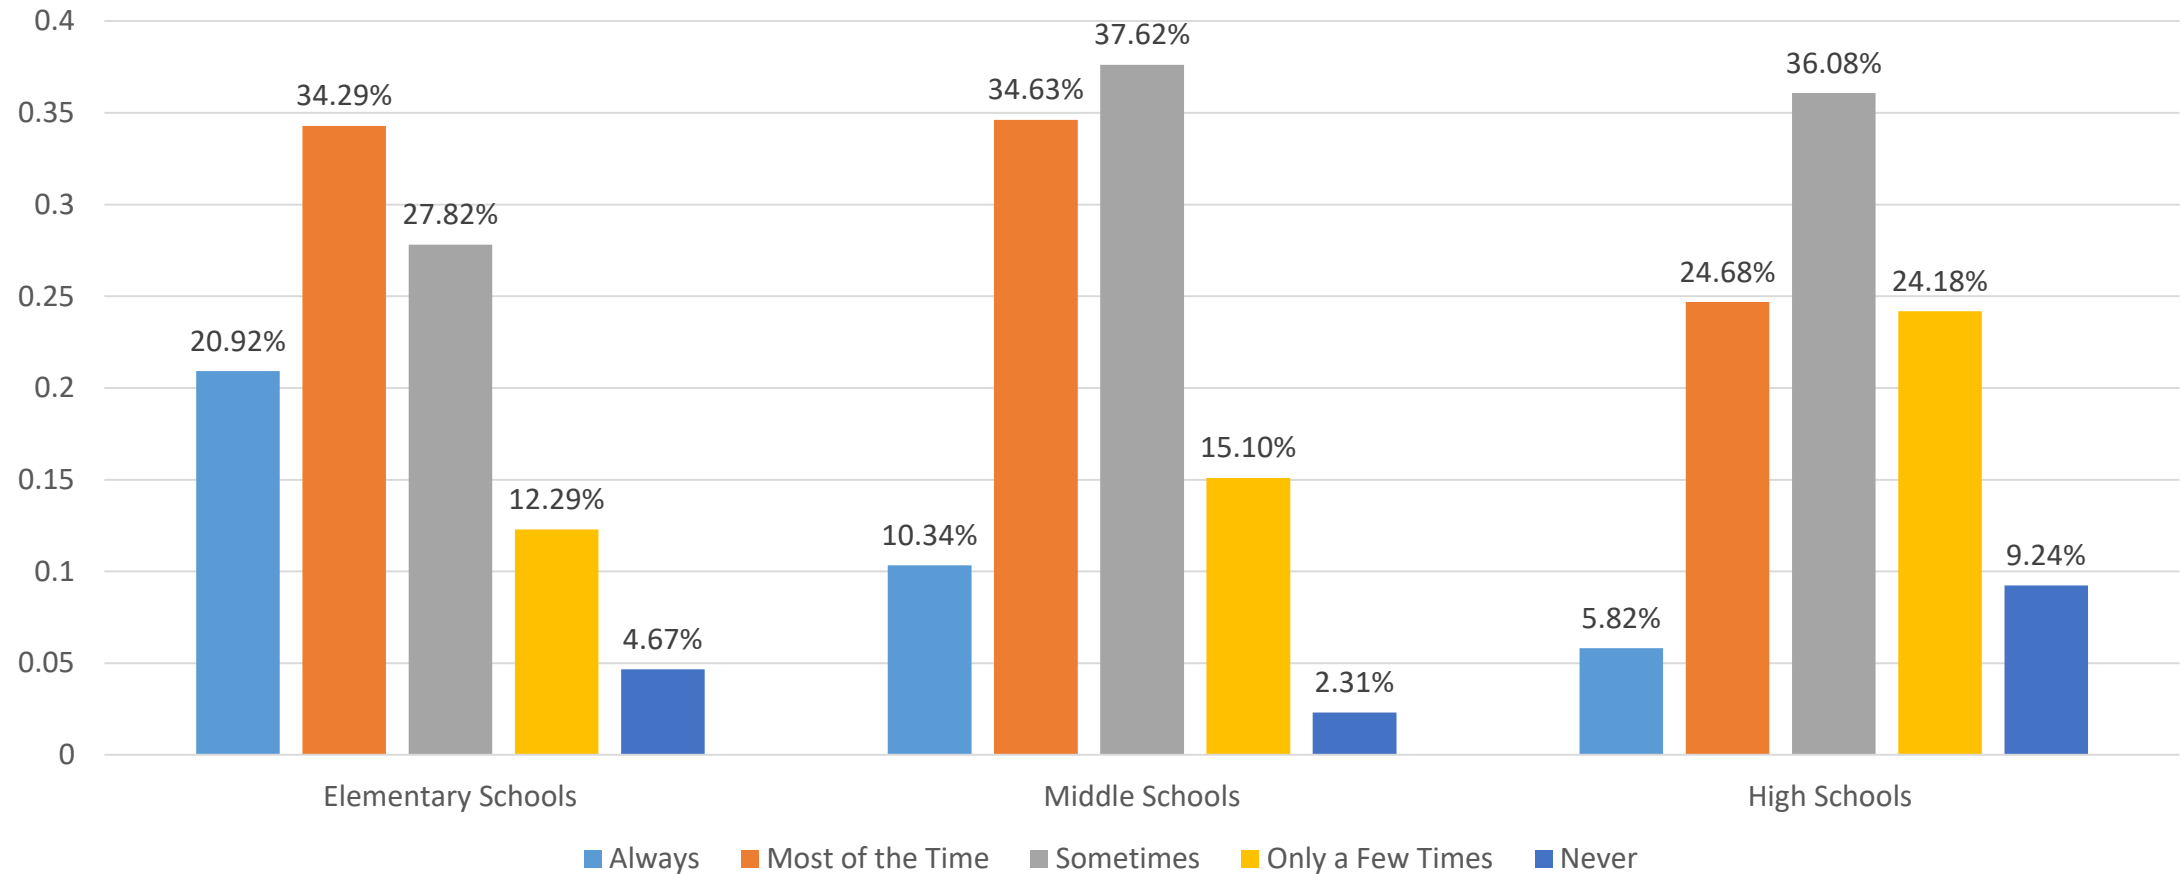

I know how to contact my social workers or guidance counselor if I am having trouble with a social situation or my emotions.

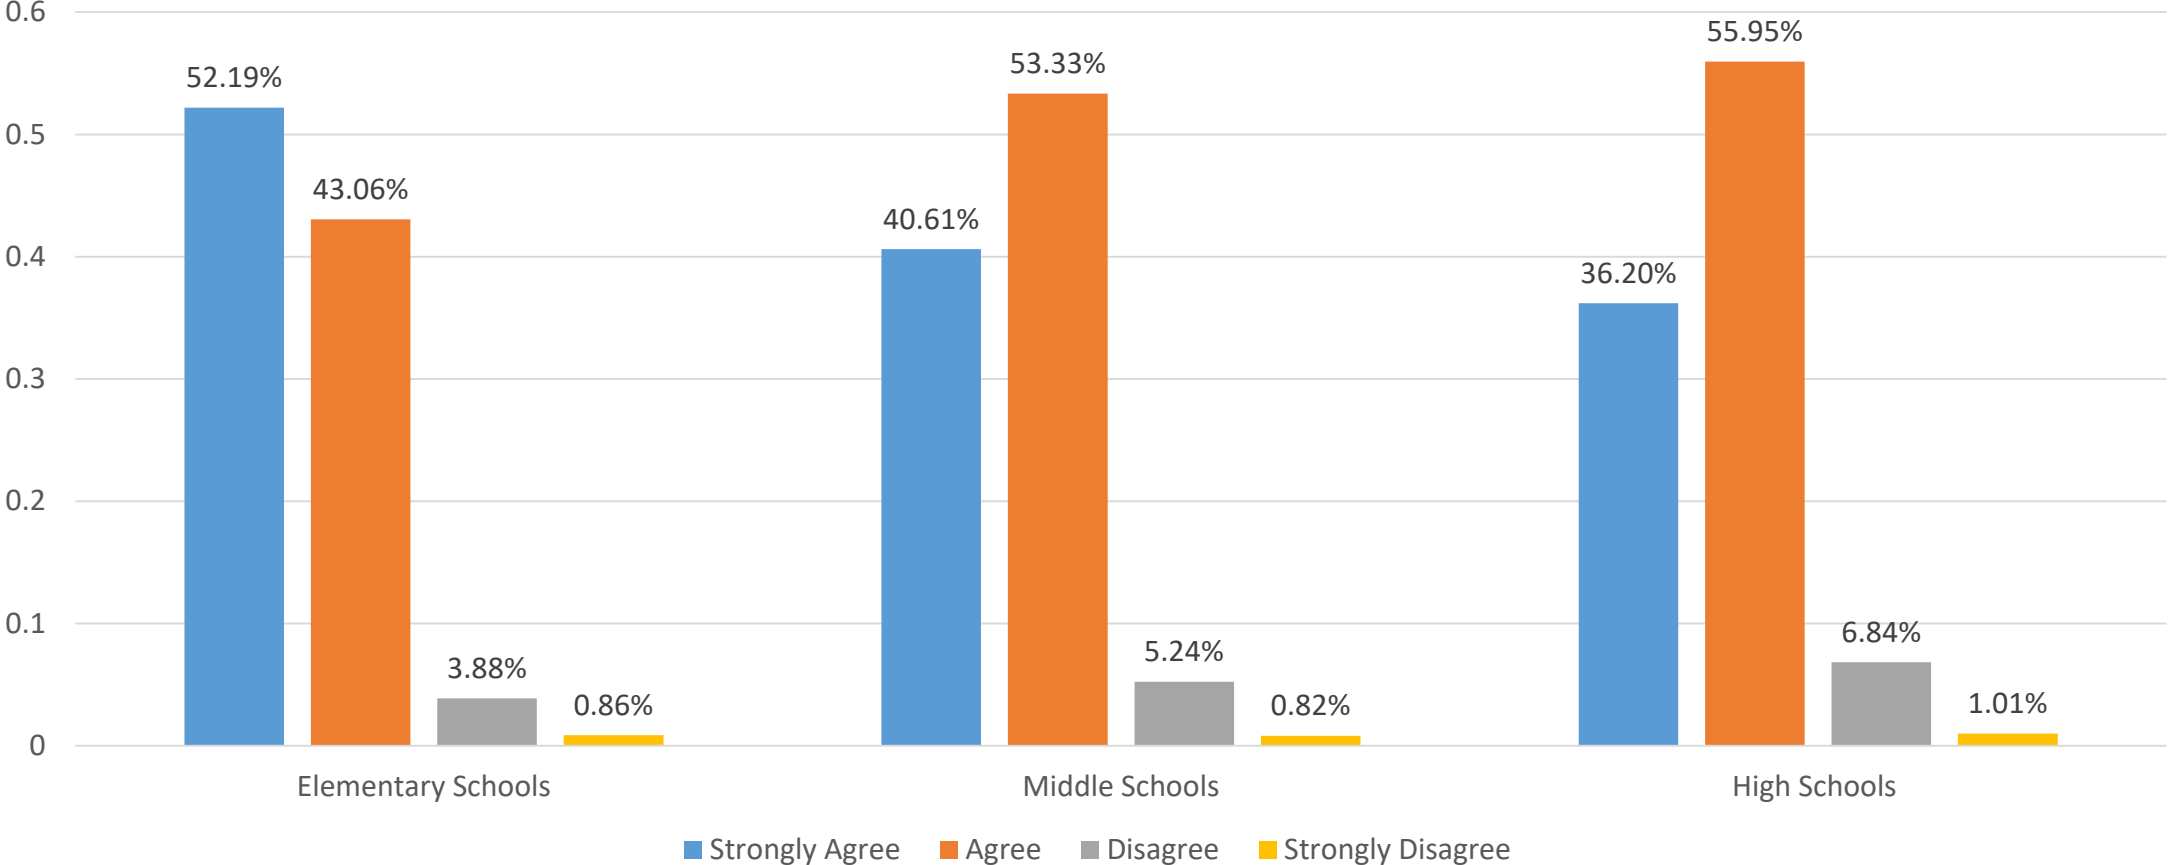

# How much do you like connecting with your teachers and classes over Zoom/Google Meet?

# How often are you able to interact and collaborate with your peers during your remote learning classes?

# I am easily able to submit my assignments to my remote teacher.

# My classes are engaging, interesting, and relevant.

# How supported to do you feel by your school?

# Over the past three weeks, I exercised and/or went outside:

Do you feel that you have a support system that allows you to share your feelings without judgement?

Over the past three weeks, please select all of the emotions you have experienced.
