

Revere Public Schools – Transition to Hybrid

No School March 4th and 5th – Professional Development

March 8th – Life Skills and ASD classes

March 15th – Small Learning Groups

CONTINGENT ON IMPACT BARGAINING

March 22nd – Half of all grades EC-12

March 29th – Second half of all grades EC-12

Daily Schedule for Hybrid students

CONTINGENT ON IMPACT BARGAINING

Daily schedules will be shared as soon as possible.

Life Skills and Small Learning Group students will be in both week A and week B

Where possible, EL students will be in both week A and week B

Where possible, other classes that have few enough students returning to hybrid will have those students to be in both weeks (example: Seacoast and smaller elementary classes) – this will be relayed to parents by the principal.

Teacher Changes

CONTINGENT ON IMPACT BARGAINING

Some students may have a change in teacher due to separation of fully remote and hybrid students

Principals will communicate this to parents of impacted students.

Every effort will be made to avoid changing teachers

Hybrid vs. Remote

We will accommodate changes for students who switched between the August survey and the December survey

If we did not receive a reply to the new survey, the August response will be used.

Future changes will be considered and change to hybrid made IF POSSIBLE

Families may switch to from hybrid to remote after school starts but not further changes will be made.

Transportation

We will follow the current DESE guidelines

- Windows open
- Up to 46 students in larger busses (Hybrid schedule should allow for this. Busses will be added as needed)

The transportation office will be in touch with the parents of Life Skills students who have indicated they are retuning this week

The schedule and routes for “big busses” will be shared by Wednesday, March 10th in time for Small Learning Groups to use them starting March 15th.

ALL students must be masked to use transportation

Seats will be assigned and can not be changed

Monitors will check attendance based on the bus assignments

Athletics

GOAL: Get students active – no playoffs

All athletics modified to meet MIAA safety criteria – sport specific

Athletics for a particular team may be suspended or canceled as advised by MIAA and PDH guidelines

Begin conditioning March 1st (winter)

- V and JV Basketball
- V Hockey
- V swimming

Begin conditioning on or about April 5th (Fall 2)

- Football
- Soccer
- Volleyball (girls)
- Field Hockey
- Golf
- Cross country
- Non-competitive cheering

Athletics

Begin conditioning May on or about May 10th (Spring)

- Season extends until late June or early July
- Softball
- Baseball
- Volleyball (boys)
- Tennis
- Lacross
- Competitive Cheer
- Outdoor track (combined with indoor)

Other extra curricular activities

Many will remain virtual except the High School

- JROTC
- Robotics
- Others as determined by the principal and advisor(s)

If deemed appropriate and feasible, middle School extra curriculars may transition to in-person later in the school year.

New Revere High School

Continuing to finalize the contract with our design team at Perkins Eastman

Re-engaging teachers, parents, students and the community

RHS School Building Committee meeting on Thursday at 3:00
